Congratulations on making the decision to participate in the Life-Force Formula Immersion! This amazing experience will take place in the beautiful foothills of the Sierra Nevada Mountains at the Shady Creek Event Center in Nevada City, CA.

Below is all the info you need to make your retreat comfortable and your travels easy.

Environment

The environment in the Nevada City area during June can be hot and dry. The average temperatures in Nevada City in the summer range from a high of 105 degrees with a low of 65 degrees. Be sure to bring plenty of layers for cooler evenings and mornings. Please visit www.weather.com for accurate weather information as the retreat date approaches.

Accommodations

The Shady Creek Event Center offers simple, camp-style accommodations in a gorgeous setting. Private rooms are available in limited availability for couples only and at an extra fee and on a first come first serve basis. Shared cabins are same gender and we do our best to assign as few people to a room as possible. Bathhouses are near each room or cabin but there are no private bathrooms.

You must bring your own bedding (sleeping bags recommended) and towels for your use during your stay.

Offsite accommodation recommendations are listed below if you would like a private room offsite. We recommend staying onsite so you can participate in early morning sadhana and be a part of the group aura.
